Shades

Comfort under the sun

Thoughtfully designed to enhance outdoor experiences, our shade solutions provide both comfort and visual appeal. From umbrellas to larger structures, each option can be selected and customized to harmonize with the setting while ensuring guest comfort throughout the event.

CANOPY

Flowing fabric canopies that provide shade while creating elegant, airy and inviting outdoor spaces.

MEDITERRANEAN UMBRELLAS

Elegant parasols designed to provide comfortable shade while enhancing outdoor celebrations with timeless style.

Draping

Soft architectural details

Thoughtfully designed to elevate any venue, our drapes add depth, movement and elegance to indoor and outdoor celebrations. Whether suspended from ceilings, framing walls or enhancing tables and structures, each installation is tailored to complement the event with effortless sophistication.

Every installation is fully customizable to complement the style, scale and atmosphere of your event.

INSIDE

Flowing drapes soften interior architecture, adding warmth, movement and timeless elegance while creating an intimate and refined atmosphere.

AF

OUTSIDE

Designed to move with breeze, our outdoor drapes bring softness, shade and effortless elegance to open-air celebrations.

WALLS

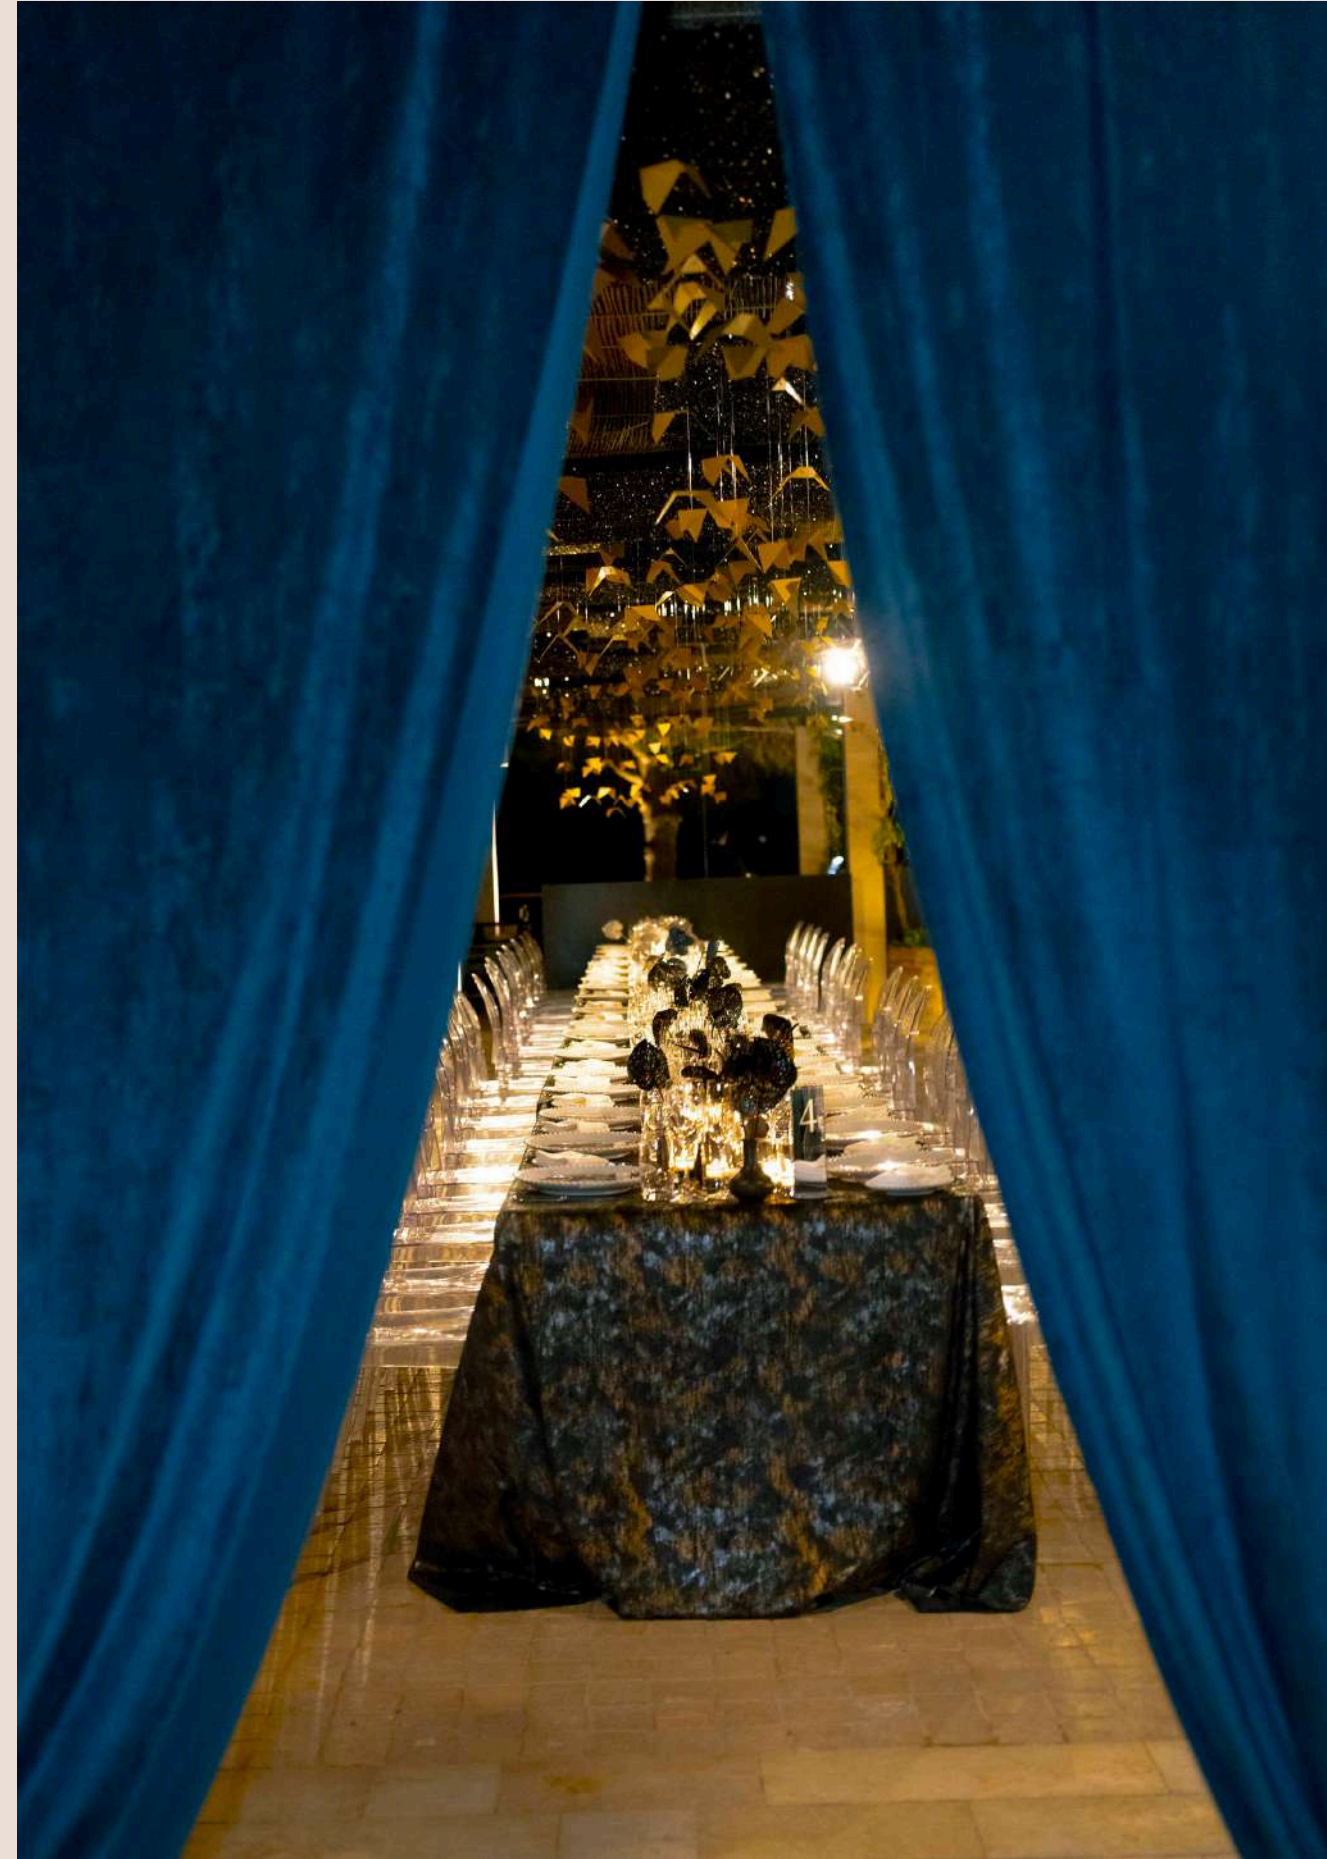

Designed to frame and elevate any venue, our fabric walls provide a seamless backdrop while bringing softness and sophistication to the space.

DISCOS

Rich fabrics create intimate settings, define different atmospheres and add depth, warmth and character to every celebration.

AF

TABLES

Soft draping transforms every table into a statement piece, adding texture, volume and effortless elegance to the overall setting.

Structural Decor

Supporting every creative vision.

Designed to frame, elevate and define event spaces, our architectural structures provide the foundation for floral installations, suspended décor and statement features. Each piece is fully customizable to complement the overall design concept.

Every installation is fully customizable to complement the style, scale and atmosphere of your event.

OVERHEAD CEILING

A streamlined overhead beam designed to support suspended florals, lighting and decorative elements while creating a refined focal point above tables.

OVERHEAD CEILING

Two parallel overhead beams offering expanded possibilities for layered floral designs, lighting and statement suspended decor.

OVERHEAD CEILING

A circular overhead structure that beautifully frames suspended florals, lighting and statement decor above dining tables.

Available in 180 - 300 - 400 Cm.

STAGES

Custom stage designs that combine architectural elements, decor and styling to crate refined settings for presentations, ceremonies and live experiences.

BRIDGES

Custom-built bridges and walkways that enhance circulation while adding refined architectural feature to the overall event.

FLOATING FLORALS

From subtle accents to large-scale floral compositions, pool installations are designed to create unforgettable visual impact.

FLOATING DECOR

Decorative floating installations create unique focal points across the pool, adding depth, atmosphere and a distinctive sense of place.

CUBES

Modular cube frames create striking architectural compositions that can be suspended or freestanding, adapting to a wide range of event concepts.

Decor

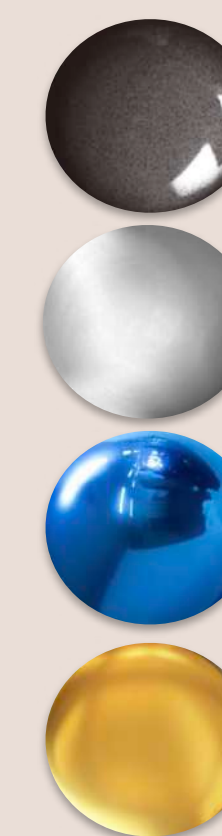

Details that tell a story.

Every event is defined by its details. Through carefully selected decorative elements, textures and finishes, we create cohesive environments that reflect each client's personality, style and vision, turning ideas into memorable experiences.

MIRROR SPHERES

Reflective spheres create striking visual compositions, adding depth, scale and contemporary elegance to both indoor and outdoor settings.

AF

Available in black, silver, gold or blue. From 0,40 to 2 meters.

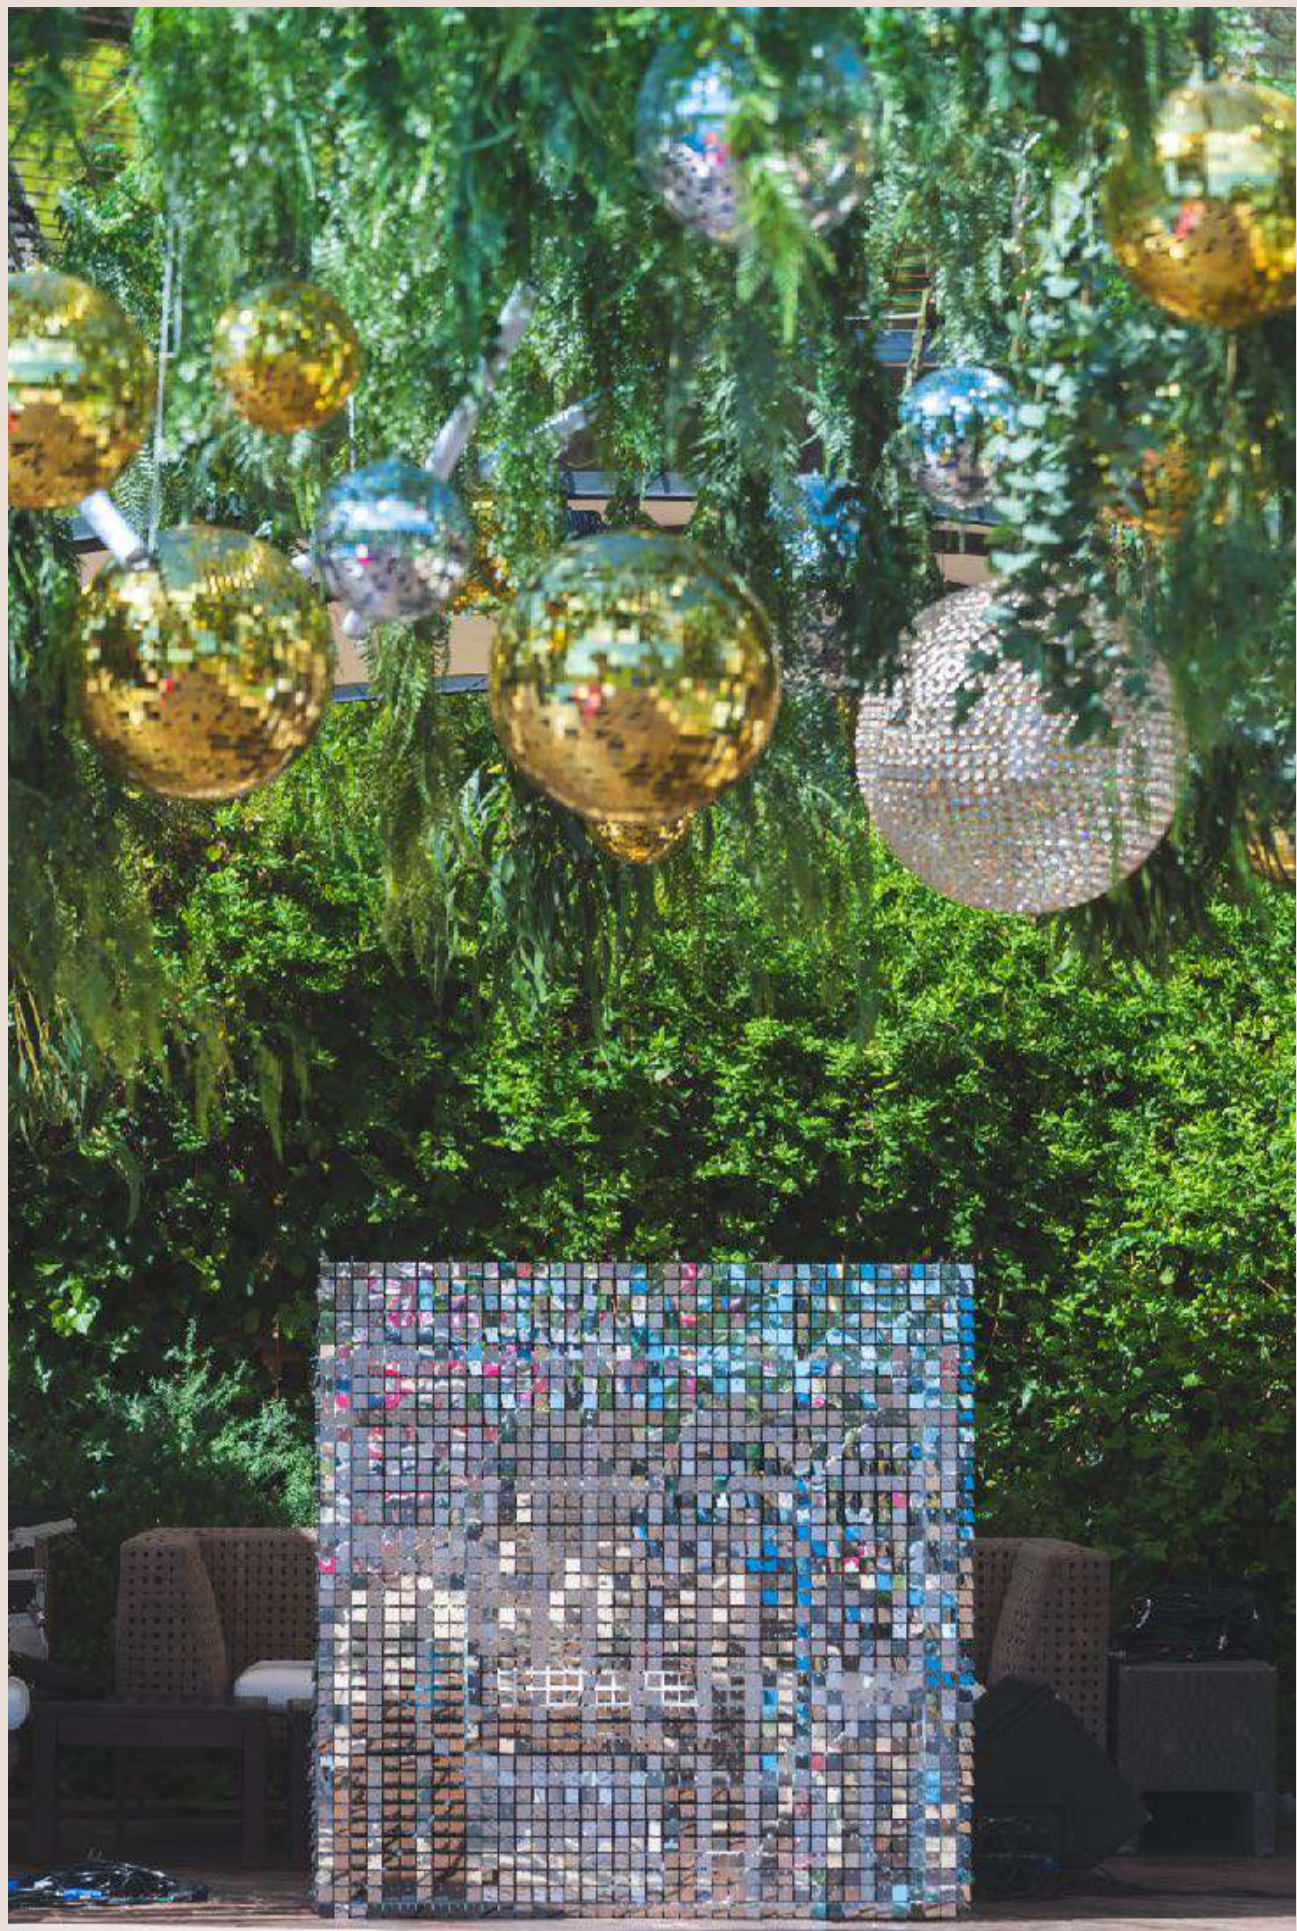

STRIPED SPHERES

Playful striped spheres introduce bold color and sculptural volume, creating eye-catching installations for contemporary event settings.

Available in white & green stripes.
From 0,40 to 2 meters.

DISCO BALLS

Available in a range of sizes and finishes, disco balls bring dynamic reflections and iconic character to both daytime and evening celebrations.

TELEPHONE BOX

A playful statement piece that can be customized with florals, balloons or bespoke styling, creating an interactive focal point for guests and memorable photo opportunities.

CAGE

Designed as a sculptural feature, this structure can be adapted to create interactive installations, statement entrances or unique event displays.
